## IRVINE FAMILY SHARES THEIR IADHS STORY

**Kathy Ngai with her  
mom, So Lien Tong,  
and daughter Jocelyn**

This is a little story about our family. Our family has lived in the City of Irvine for almost two decades. Seven years ago, our mother moved back from the Bay Area to be close to us. She is now in her eighties. At the time, it was a big concern for all of us since we all have to work during the weekdays. Our mom doesn't speak English, has some health issues, and would be all alone while we worked. A friend told us about IADHS right here in Irvine. What a big relief! Not only is there a bus pick up and drop off to and from the facility, IADHS also serves breakfast and lunch. The staff is so friendly and patient. They always have warm smiles on their faces when helping the seniors.

My mom has made a lot of friends at the Center. Each morning her face brightens up when she walks through the front door. Some weekend mornings, she asks if she could go to IADHS. When we tell her no, she looks quite disappointed.

My siblings and I are truly grateful for what IADHS has done for our mom, our family and the community. Because of all the staff's help we all can go to work everyday without worrying about our mom. You all are real angels in our lives. There is nothing more I can say about Irvine Adult Day Health Services but "THANK YOU" from the bottom of my heart! ~ Kathy Ngai, Caregiver

 Lou Ann Noren

“When this facility first opened in 1994, my friend and I took a tour and knew we both wanted to be a part of the volunteer program. I love putting smiles on the participants’ faces. I took a “brief recess” and am now back in 2008. What a joy to serve others!!”
